#### Reminder: Do Not Include Social Security Numbers on Publicly Disclosed Forms

Documents subject to disclosure include supporting documents filed with the form, and correspondence with the IRS about the filing.

#### Changes for Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code

#### **Change of Mailing Address**

The mailing address shown on Form 1023 Checklist, page 28, the first address under the last checkbox; and in the Instructions for Form 1023, page 4 under *Where To File*, has been changed to:

Internal Revenue Service P.O. Box 12192 Covington, KY 41012-0192

To file using a private delivery service, mail to:

# Changes for Parts IX and X

Changes to Parts IX and X are necessary to comply with new regulations that eliminated the advance ruling process. Until Form 1023 is revised to reflect this change, please follow the directions on this notice when completing Part IX and Part X of Form 1023. For more information about the elimination of the advance ruling process, visit us at IRS.gov. In the top right "Search" box, type "Elimination of the Advance Ruling Process" (exactly as written) and select "Search."

# Part IX. Financial Data

The instructions at the top of Part IX on page 9 of Form 1023 are now as follows. For purposes of this schedule, years in existence refer to completed tax years.

1. If in existence less than 5 years, complete the statement for each year in existence and provide projections of your likely revenues and expenses based on a reasonable and good faith estimate of your future finances for a total of:

- a. Three years of financial information if you have not completed one tax year, or
- b. Four years of financial information if you have completed one tax year.

(Continued)

2. If in existence 5 or more years, complete the schedule for the most recent 5 tax years. You will need to provide a separate statement that includes information about the most recent 5 tax years because the data table in Part IX has not been updated to provide for a 5th year.

## Part X. Public Charity Status

**Do not complete** line 6a on page 11 of Form 1023, and do not sign the form under the heading "Consent Fixing Period of Limitations Upon Assessment of Tax Under Section 4940 of the Internal Revenue Code."

Only complete line 6b and line 7 on page 11 of Form 1023, if in existence 5 or more tax years.

#### Part XI. Increase in User Fees

User fee increases are effective for all applications postmarked after January 3, 2010.

1. \$400 for organizations whose gross receipts do not exceed \$10,000 or less annually over a 4-year period.

2. \$850 for organizations whose gross receipts exceed \$10,000 annually over a 4-year period.

For the current user fee amounts, go to IRS.gov and in the "Search" box at the top right of the page, enter "Exempt Organizations User Fees." You can also call 1-877-829-5500.

**Application for reinstatement and retroactive reinstatement.** An organization must apply to have its tax-exempt status reinstated if it was automatically revoked for failure to file a return or notice for three consecutive years. The organization must:

(1) Complete and file Form 1023 if applying under section 501(c)(3) or Form 1024 if applying under a different Code section;

(2) Pay the appropriate user fee and enclose it with the application;

(3) Write "Automatically Revoked" at the top of the application and mailing envelope; and

(4) Submit a written statement supporting its request if applying for retroactive reinstatement.

If the application is approved, the date of reinstatement generally will be the postmark date of the application, unless the organization qualifies for retroactive reinstatement. Alternate submissions and standards apply for retroactive reinstatement back to the date of automatic revocation. See Notice 2011-44, 2011-25 I.R.B. 883, at *http://www.irs.gov/irb/2011-25\_IRB/ar10.html,* for details.

# **Changes for the Instructions for Form 1023**

- Change to Part III. Required Provisions in Your Organizing Documents
- Clarification to Appendix A. Sample Conflict of Interest Policy

#### Changes to Instructions for Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code (Rev. June 2006) Part III. Required Provisions in Your Organizing Document

**Applicable to organizations in the state of New York.** Changes are necessary to comply with Rev. Proc. 82-2, 1982-1 C.B. 367, to incorporate the state of New York as a jurisdiction that complies with the *cy pres* doctrine to keep a charitable testamentary trust from failing the requirement for a dissolution clause under Regulations section 1.501(c)(3)-1(b)(4), when the language of the trust instrument demonstrates a general intent to benefit charity. Therefore, the instructions on page 8, line 2c, after the third paragraph now include the state of New York in the state listing as an authorized state. Since the state of New York allows testamentary charitable trusts formed in that state and the language in the trust instruments provides for a general intent to benefit charity, you do not need a specific provision in your trust agreement or declaration of trust providing for the distribution of assets upon dissolution.

# Appendix A. Sample Conflict of Interest Policy

Appendix A, Sample Conflict of Interest Policy, is only intended to provide an example of a conflict of interest policy for organizations. The sample conflict of interest policy does not prescribe any specific requirements. Therefore, organizations should use a conflict of interest policy that best fits their organization.

- (b) First-class mail, postage paid;
- (c) Telephone, including a voice messaging system or other system or technology designed to record and communicate messages; or
- (d) Facsimile, electronic mail ("e-mail") or other means of electronic transmission if the recipient has consented to accept notices in this manner.

Any oral notice given personally or by telephone may be communicated directly to the Director or to a person who would reasonably be expected to promptly communicate such notice to the Director. Notice of regular meetings may be given in the form of a calendar or schedule that sets forth the date, time and place of more than one regular meeting.

#### (ii) Time Requirements

Notices sent by first-class mail shall be deposited into a United States mailbox at least four days before the time set for the meeting. #### (iii) Notice Contents

The notice shall state the time and place for the meeting, except that if the meeting is scheduled to be held at the principal office of the Corporation, the notice shall be valid even if no place is specified. The notice need not specify the purpose of the meeting unless required to elsewhere in these Bylaws.

# I. Place of Board Meetings

Regular and special meetings of the Board may be held at any place within or outside the state that has been designated in the notice of the meeting, or, if not stated in the notice or, if there is no notice, designated by resolution of the Board. If the place of a regular or special meeting is not designated in the notice or fixed by a resolution of the Board, it shall be held at the principal office of the Corporation.

# (i) Meetings by Telephone or Similar Communication Equipment

Any meeting may be held by conference telephone or other communications equipment permitted by California Nonprofit Corporation Law, as long as all Directors participating in the meeting can communicate with one another and all other requirements of California Nonprofit Corporation Law are satisfied. All such Directors shall be deemed to be present in person at such meeting.

# J. Quorum and Action of the Board

# (i) Quorum

A majority of Directors then in office (but no fewer than two Directors or one-fifth of the authorized number in Section VII.A, whichever is greater) shall constitute a quorum for the transaction of business, except to adjourn as provided in Section VII.L.

#### (ii) Minimum Vote Requirements for Valid Board Action

Every act taken or decision made by a vote of the majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board, unless a greater number is expressly required by California Nonprofit Corporation Law, the Articles of Incorporation or these Bylaws. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors from the meeting, if any action taken is approved by at least a majority of the required quorum for that meeting.

#### (iii) When a Greater Vote Is Required for Valid Board Action

The following actions shall require a vote by a majority of all Directors then in office in order to be effective:

- (a) Approval of contracts or transactions in which a Director has a direct or indirect material financial interest as described in Section X.A (provided that the vote of any interested Director(s) is not counted);
- (b) Creation of, and appointment to, Committees (but not advisory committees) as described in Section VIII.A;
- (c) Removal of a Director without cause as described in Section VII.E.2; and
- (d) Indemnification of Directors as described in Article XI.

#### K. Waiver of Notice

The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (i) a quorum is present, and (ii) either before or after the meeting, each of the Directors who is not present at the meeting signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent does not need to specify the purpose of the meeting. All waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Also, notice of a meeting is not required to be given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice. Directors can protest the lack of notice only by presenting a written protest to the Secretary either in person, by first-class mail addressed to the Secretary at the principal office of the Corporation as contained on the records of the Corporation as of the date of the protest, or by facsimile addressed to the facsimile number of the Corporation as contained on the records of the Corporation as of the date of the protest.

#### L. Adjournment

A majority of the Directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

#### **M.** Notice of Adjournment

#### N. Conduct of Meetings

Meetings of the Board shall be presided over by the Chairperson, or, if there is no Chairperson or the Chairperson is absent, by the Vice Chair (if any) or, in the absence of each of these persons, by a chairperson of the meeting, chosen by a majority of the Directors present at the meeting.

The Secretary shall act as secretary of all meetings of the Board, provided that, if the Secretary is absent, the presiding officer shall appoint another person to act as secretary of the meeting. Meetings shall be governed by rules of procedure as may be determined by the Board from time to time, insofar as such rules are not inconsistent with or in conflict with these Bylaws, with the Articles, or with any provisions of law applicable to the Corporation.

#### **O.** Action Without Meeting

Any action required or permitted to be taken by the Board may be taken without a meeting, if all members of the Board, individually or collectively, consent in writing to the action. For the purposes of this Section VII.O only, "all members of the Board" shall not include any "interested Director" as defined in section 5233 of the California Nonprofit Corporation Law. Such written consent shall have the same force and effect as a unanimous vote of the Board taken at a meeting. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Written consent may be transmitted by first-class mail, messenger, courier, facsimile, e-mail or any other reasonable method satisfactory to the Chairperson.

#### P. Fees and Compensation of Directors

The Corporation shall not pay any compensation to Directors for services rendered to the Corporation as Directors, except that Directors may be reimbursed for expenses incurred in the performance of their duties to the Corporation, in reasonable amounts as approved by the Board. Also, Directors may not be compensated for rendering services to the Corporation in a capacity other than as Directors, unless such compensation is reasonable and further provided that not more than 49% of the persons serving as Directors may be "interested persons" which, for purposes of this Section 7.P only, means:

(a) any person currently being compensated by the Corporation for services rendered to it within the previous 12 months, whether as a full or part-time Officer or other employee, independent contractor, or otherwise, excluding any reasonable compensation paid to a Director as Director; or

(b) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person.

#### **Q. Non-Liability of Directors**

#### ARTICLE VIII COMMITTEES

#### A. Committees of Directors

The Board may, by resolution adopted by a majority of the Directors then in office, create one or more Board Committees ("Committees"), including an executive committee, each consisting of two or more Directors, to serve at the discretion of the Board. Any Committee, to the extent provided in the resolution of the Board, may be given the authority of the Board except that no Committee may:

- (a) approve any action for which the California Nonprofit Corporation Law also requires approval of the members or approval of a majority of all members;
- (b) fill vacancies on the Board or in any Committee which has the authority of the Board;

- (c) fix compensation of the Directors for serving on the Board or on any Committee;
- (d) amend or repeal Bylaws or adopt new Bylaws;
- (e) amend or repeal any resolution of the Board which by its express terms is not so amendable or repealable;

- (g) expend corporate funds to support a nominee for Director after more persons have been nominated than can be elected; or
- (h) approve any transaction (i) between the Corporation and one or more of its Directors or (ii) between the Corporation and any entity in which one or more of its Directors have a material financial interest.

#### **B.** Meetings and Action of Board Committees

Meetings and action of Committees shall be governed by, and held and taken in accordance with, the provisions of Article VII concerning meetings of Directors, with such changes in the context of Article VII as are necessary to substitute the Committee and its members for the Board and its members, except that the time for regular meetings of Committees may be determined by resolution of the Board, and special meetings of Committees may also be called by resolution of the Board. Minutes shall be kept of each meeting of any Committee and shall be filed with the corporate records. The Committee shall report to the Board from time to time as the Board may require. The Board may adopt rules for the governance of any Committee not inconsistent with the provisions by these Bylaws. In the absence of rules adopted by the Board, the Committee may adopt such rules.

#### C. Quorum Rules for Board Committees

A majority of the Committee members shall constitute a quorum for the transaction of Committee business, except to adjourn. A majority of the Committee members present, whether or not constituting a quorum, may adjourn any meeting to another time and place. Every act taken or decision made by a majority of the Committee members present at a meeting duly held at which a quorum is present shall be regarded as an act of the Committee, subject to the provisions of the California Nonprofit Corporation Law relating to actions that require a majority vote of the entire Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Committee members, if any action taken is approved by at least a majority of the required quorum for that meeting.

#### **D.** Revocation of Delegated Authority

The Board may, at any time, revoke or modify any or all of the authority that the Board has delegated to a Committee, increase or decrease (but not below two) the number of members of a Committee, and fill vacancies in a Committee from the members of the Board.

#### E. Nonprofit Integrity Act/Audit Committee

In any fiscal year in which the Corporation receives or accrues gross revenues of two million dollars or more (excluding grants from, and contracts for services with, governmental entities for which the governmental entity requires an accounting of the funds received), the Board shall (i) prepare annual financial statements using generally accepted accounting principles that are audited by an independent certified public accountant ("CPA") in conformity with generally accepted auditing standards; (ii) make the audit available to the Attorney General and to the public on the same basis that the Internal Revenue Service Form 990 is required to be made

available; and (iii) appoint an Audit Committee. The Audit Committee shall not include paid or unpaid staff or employees of the Corporation, including, if staff members or employees, the chief executive officer or the Treasurer. If there is a finance committee, members of the finance committee shall constitute less than 50% of the membership of the Audit Committee and the chairperson of the Audit Committee shall not be a member of the finance committee. Subject to the supervision of the Board, the Audit Committee shall:

- (a) make recommendations to the Board on the hiring and firing of the CPA;

- (c) approve non-audit services by the CPA and ensure such services conform to standards in the Yellow Book issued by the United States Comptroller General; and
- (d) if requested by the Board, negotiate the CPA's compensation on behalf of the Board.

#### F. Advisory Committees

The Board may create one or more advisory committees to serve at the pleasure of the Board. Appointments to such advisory committees need not, but may, be Directors. The Board shall appoint and discharge advisory committee members. All actions and recommendations of an advisory committee shall require ratification by the Board before being given effect.

#### ARTICLE IX OFFICERS

#### A. Officers

The officers of the Corporation ("Officers") shall be a Chairperson, a Secretary, and a Treasurer. Other than the Chairperson, these persons may, but need not be, selected from among the Directors. The Board shall have the power to designate additional Officers, including a Vice Chair, who also need not be Directors, with such duties, powers, titles and privileges as the Board may fix, including such Officers as may be appointed in accordance with Section 9.6.6. Any number of offices may be held by the same person, except that the Secretary and the Treasurer may not serve concurrently as the Chairperson.

#### **B.** Election of Officers

#### ARTICLE X TRANSACTIONS BETWEEN CORPORATION AND DIRECTORS OR OFFICERS

# A. Transactions with Directors and Officers

#### (i) Interested Party Transactions

Except as described in Section X.A.ii, the Corporation shall not be a party to any transaction:

- (a) in which one or more of its Directors or Officers has a material financial interest, or
- (b) with any corporation, firm, association, or other entity in which one or more Directors or Officers has a material financial interest.
- (ii) Requirements to Authorize Interested Party Transactions

The Corporation shall not be a party to any transaction described in X.A.i unless:

- (a) the Corporation enters into the transaction for its own benefit;
- (b) the transaction is fair and reasonable to the Corporation at the time the transaction is entered into;
- (c) prior to consummating the transaction or any part thereof, the Board authorizes or approves the transaction in good faith, by a vote of a majority of Directors then in office (without counting the vote of the interested Directors), and with knowledge of the material facts concerning the transaction and the interested Director's or Officer's financial interest in the transaction;
- (d) prior to authorizing or approving the transaction, the Board considers and in good faith determines after reasonable investigation that the Corporation could not obtain a more advantageous arrangement with reasonable effort under the circumstances; and
- (e) the minutes of the Board meeting at which such action was taken reflect that the Board considered and made the findings described in paragraphs (a) through (d) of this Section X.A.ii.

# (iii) Material Financial Interest

A Director or Officer shall not be deemed to have a "material financial interest" in a transaction:

- (a) that fixes the compensation of a Director as a Director or Officer;
- (b) if the contract or transaction is part of a public or charitable program of the Corporation and it (1) is approved or authorized by the Corporation in good faith and without unjustified favoritism, and (2) results in a benefit to one or more Directors or their families only because they are in the class of persons intended to be benefited by the program; or
- (c) where the interested Director has no actual knowledge of the transaction and it does not exceed the lesser of one percent of the gross receipts of the corporation for the preceding year or \$100,000.

# **B.** Loans to Directors and Officers

The Corporation shall not make any loan of money or property to or guarantee the obligation of any Director or Officer, unless approved by the Attorney General; except that, however, the Corporation may advance money to a Director or Officer for expenses reasonably anticipated to be incurred in the performance of duties of such Director or Officer, if in the absence of such advance, such Director or Officer would be entitled to be reimbursed for such expenses by the Corporation. This limitation above does not apply if (i) the loan is necessary, in the judgment of the Board, to provide financing for the purchase of the principal residence of an Officer in order to secure the services of (or continued services of) the Officer and the loan is secured by real property located in California; or (ii) the loan is for the payment of premiums on a life insurance policy on the life of a Director or Officer and repayment to the Corporation of the amount paid by it is secured by the proceeds of the policy and its cash surrender value.

# **C. Interlocking Directorates**

No contract or other transaction between the Corporation and any corporation, firm or association of which one or more Directors are directors is either void or voidable because such Director(s) are present at the Board or Committee meeting that authorizes, approves or ratifies the contract or transaction, if (i) the material facts as to the transaction and as to such Director's other directorship are fully disclosed or known to the Board or Committee, and the Board or Committee authorizes, approves or ratifies the contract or transaction in good faith by a vote sufficient without counting the vote of the common Director(s) (subject to the quorum provisions of Article VII); or if (ii) the contract or transaction is just and reasonable as to the Corporation at the time it is authorized, approved or ratified.

#### D. Duty of Loyalty; Construction with Article XI

Nothing in this Article X shall be construed to derogate in any way from the absolute duty of loyalty that every Director and Officer owes to the Corporation. Furthermore, nothing in this Article X shall be construed to override or amend the provisions of Article XI. All conflicts between the two articles shall be resolved in favor of Article XI.

#### ARTICLE XI INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS

#### A. Definitions

For purpose of this Article XI,

"Agent"

means any person who is or was a Director, Officer, employee, or other agent of the Corporation, or is or was serving at the request of the Corporation as a Director, Officer, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, or was a Director, Officer, employee, or agent of a foreign or domestic corporation that was a predecessor corporation of the Corporation or of another enterprise at the request of the predecessor corporation;

"Proceeding"

means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative; and

"Expenses"

includes, without limitation, all attorneys' fees, costs, and any other expenses reasonably incurred in the defense of any claims or proceedings against an Agent by reason of her position or relationship as Agent and all attorneys' fees, costs, and other expenses reasonably incurred in establishing a right to indemnification under this Article XI.

#### **B.** Applicability of Indemnification Provisions

#### (i) Successful Defense by Agent

To the extent that an Agent has been successful on the merits in the defense of any proceeding referred to in this Article XI, or in the defense of any claim, issue, or matter therein, the Agent shall be indemnified against expenses actually and reasonably incurred by the Agent in connection with the claim.

#### (ii) Settlement or Unsuccessful Defense by Agent

If an Agent either settles any proceeding referred to in this Article XI, or any claim, issue, or matter therein, or sustains a judgment rendered against him, then the provisions of Section XI.C through Section XI.F shall determine whether the Agent is entitled to indemnification.

#### C. Actions Brought by Persons Other than the Corporation

This Section XI.C applies to any proceeding other than an action "by or on behalf of the corporation" as defined in Section XI.D. Such proceedings that are not brought by or on behalf of the Corporation are referred to in this Section XI.C as "Third Party proceedings." *(i) Scope of Indemnification in Third Party Proceedings* 

Subject to the required findings to be made pursuant to Section XI.C.ii, the Corporation may indemnify any person who was or is a party, or is threatened to be made a party, to any Third Party proceeding, by reason of the fact that such person is or was an Agent, for all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding.

(ii) Required Standard of Conduct for Indemnification in Third Party Proceedings Any indemnification granted to an Agent in Section XI.C.i above is conditioned on the following. The Board must determine, in the manner provided in Section XI.E, that the Agent seeking reimbursement acted in good faith, in a manner she reasonably believed to be in the best interest of the Corporation, and, in the case of a criminal proceeding, she must have had no reasonable cause to believe that her conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or in a manner she reasonably believed to be in the best interest of the Corporation or that she had reasonable cause to believe that her conduct was unlawful.

#### D. Action Brought By or On Behalf Of the Corporation

This Section XI.D applies to any proceeding brought (i) by or in the right of the Corporation, or (ii) by an Officer, Director or person granted relator status by the Attorney General, or by the Attorney General, on the ground that the defendant Director was or is engaging in self-dealing within the meaning of section 5233 of the California Nonprofit Corporation Law, or (iii) by the Attorney General or person granted relator status by the Attorney General for any breach of duty relating to assets held in charitable trust (any such proceeding is referred to in these Bylaws as a proceeding "by or on behalf of the Corporation").

(*i*) Scope of Indemnification in Proceeding By or On Behalf Of the Corporation Subject to the required findings to be made pursuant to Section XI.D.ii, and except as provided in Sections XI.D.iii and XI.D.iv, the Corporation may indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding by or on behalf of the Corporation, by reason of the fact that such person is or was an Agent, for all expenses actually and reasonably incurred in connection with the defense or settlement of such action.

# *(ii) Required Standard of Conduct for Indemnification in Proceeding By or On Behalf Of the Corporation*

Any indemnification granted to an Agent in Section XI.D.i is conditioned on the following. The Board must determine, in the manner provided in Section XI.E, that the Agent seeking reimbursement acted in good faith, in a manner she believed to be in the best interest of the Corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.

#### (iii) Claims Settled Out of Court

If any Agent settles or otherwise disposes of a threatened or pending action brought by or on behalf of the Corporation, with or without court approval, the Agent shall receive no

indemnification for amounts paid pursuant to the terms of the settlement or other disposition. Also, in cases settled or otherwise disposed of without court approval, the Agent shall receive no indemnification for expenses reasonably incurred in defending against the proceeding, unless the proceeding is settled with the approval of the Attorney General.

### (iv) Claims and Suits Awarded Against Agent

If any Agent is adjudged to be liable to the Corporation in the performance of the Agent's duty to the Corporation, the Agent shall receive no indemnification for amounts paid pursuant to the judgment, and any indemnification of such Agent under Section XI.D.i for expenses actually and reasonably incurred in connection with the defense of that action shall be made only if both of the following conditions are met:

(a) The determination of good faith conduct required by Section XI.D.ii must be made in the manner provided for in Section XI.E; and

(b) Upon application, the court in which the action was brought must determine that, in view of all of the circumstances of the case, the Agent is fairly and reasonably entitled to indemnity for the expenses incurred. If the Agent is found to be so entitled, the court shall determine the appropriate amount of expenses to be reimbursed.

#### E. Determination of Agent's Good Faith Conduct

The indemnification granted to an Agent in Section XI.C and Section XI.D is conditioned on the findings required by those Sections being made by:

(a) The Board by a majority vote of a quorum consisting of Directors who are not parties to the proceeding; or

(b) The court in which the proceeding is or was pending. Such determination may be made on application brought by the Corporation or the Agent or the attorney or other person rendering a defense to the Agent, whether or not the application by the Agent, attorney, or other person is opposed by the Corporation.

#### **F.** Limitations

No indemnification or advance shall be made under this Article XI, except as provided in Section XI.B.i or Section XI.E(b), in any circumstances when it appears:

(a) That the indemnification or advance would be inconsistent with a provision of the Articles of Incorporation, as amended, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) That the indemnification would be inconsistent with any condition expressly imposed by a court in approving a settlement.

# G. Advance of Expenses

Expenses incurred in defending any proceeding may be advanced by the Corporation before the final disposition of the proceeding on receipt of an undertaking by or on behalf of the Agent to repay the amount of the advance unless it is determined ultimately that the Agent is entitled to be indemnified as authorized in this Article XI.

# H. Contractual Rights of Non-Directors and Non-Officers

Nothing contained in this Article XI shall affect any right to indemnification to which persons other than Directors and Officers of the Corporation, or any of its subsidiaries, may be entitled by contract or otherwise.

#### I. Insurance

The Board may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any Agent, as defined in this Article XI, against any liability asserted against or incurred by any Agent in such capacity or arising out of the Agent's status as such, whether or not the Corporation would have the power to indemnify the Agent against the liability under the provisions of this Article XI.

#### ARTICLE XII CORPORATE RECORDS, REPORTS AND SEAL

(iii) The revenue or receipts of the Corporation, both unrestricted and restricted to particular purposes, for this fiscal year;

(iv) The expenses or disbursements of the Corporation for both general and restricted purposes during the fiscal year;

(v) A statement of any transaction (a) to which the Corporation, its parent, or its subsidiary was a party, (b) which involved more than \$50,000 or which was one of a number of such transactions with the same person involving, in the aggregate, more than \$50,000, and (c) in which either of the following interested persons had a direct or indirect material financial interest (a mere common directorship is not a financial interest):

- (1) Any Director or Officer of the Corporation, its parent, or its subsidiary;
- (2) Any holder of more than 10% of the voting power of the Corporation, its parent, or its subsidiary.

The statement shall include: (a) a brief description of the transaction; (b) the names of interested persons involved; (c) their relationship to the Corporation; (d) the nature of their interest in the transaction, and; (e) when practicable, the amount of that interest, provided that, in the case of a partnership in which such person is a partner, only the interest of the partnership need be stated. (vi) A brief description of the amounts and circumstances of any loans, guaranties,

indemnifications, or advances aggregating more than \$10,000 paid during the fiscal year to any Officer or Director under Article X or Article XI.

# G. Corporate Seal

The corporate seal, if any, shall be in such form as may be approved from time to time by the Board. Failure to affix the seal to corporate instruments, however, shall not affect the validity of any such instrument.

#### ARTICLE XIII EXECUTION OF INSTRUMENTS, DEPOSITS AND FUNDS

#### **A. Execution of Instruments**

The Board, except as otherwise provided in these Bylaws, may by resolution authorize any Officer or agent of the Corporation to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances. #### **B.** Checks and Notes

Except as otherwise specifically determined by resolution of the Board, or as otherwise required by law, checks, drafts, promissory notes, orders for the payment of money, and other evidence of indebtedness of the Corporation shall be signed by the Treasurer and countersigned by the Chairperson.

All references to statutes, regulations and laws shall include any future statutes, regulations and laws that replace those referenced.

#### ARTICLE XV AMENDMENTS

#### A. Amendment by Directors

The Board may adopt, amend or repeal bylaws. Such power is subject to the following limitations:

(i) Where any provision of these Bylaws requires the vote of a larger proportion of the Directors than otherwise is required by law, such provision may not be altered, amended or repealed except by the vote of such greater number.

(ii) No amendment may extend the term of a Director beyond that for which such Director was elected.

#### Part IV: Narrative Description of Your Activities

The Climate Defense Project ("CDP") is a non-profit corporation founded in 2016 to provide legal, logistical, and intellectual support to the climate movement. CDP seeks to educate the public about the legal aspects of climate change and will advocate for legal reforms that will facilitate a transition away from carbon-intensive energy use. CDP will promote these ideas through publications, public appearances, and meetings. CDP also seeks to build public support for policy solutions to global warming and to develop organizational and educational resources for a just transition to a post-fossil fuel economy.

CDP will pursue these objectives primarily through the legal system, by assisting attorneys crafting novel legal arguments related to climate change policy and by providing legal support, advice, and representation to activists combating climate change, who currently lack effective legal counsel

CDP will employ attorneys who will conduct legal research and produce white papers, research guides, and practice resources for lawyers working on climate-related issues. CDP attorneys will also offer direct representation and legal support (in the form of trainings on constitutional rights, information on applicable laws, and interpretations of governing statutes and regulations) to individuals engaged in campaigns against climate change.

#### Public Education and Convening (35% of organizational time)

CDP will educate the public about the dangers of climate change, the legal rules and structures that impede proactive climate policy, and methods for advancing climate justice through social movement organizing and legal action. CDP will publish information related to climate science, policy, and law on its website and in public news sources. CDP staff will make public appearances in the media, at academic conferences, and at public gatherings to discuss legal avenues to climate justice. CDP will also offer trainings on constitutional rights to climate activists to encourage the exercise of free speech in furtherance of climate policy reform. CDP will work to build connections between attorneys and climate activists with the goals of educating the public about climate legal issues and strengthening the legal resources of the climate movement. CDP will organize conferences, panels, and colloquia to facilitate knowledge-sharing and the development of novel ideas in the climate policy arena.

#### Production of legal reference materials (30% of organizational time)

CDP will produce climate-related legal research and reference materials with the goals of educating the public about climate law, strengthening legal protections for the climate, and assisting climate activists in attaining their goals through use of the legal system. CDP's staff attorneys will use this research to provide advice to other attorneys, produce white papers summarizing existing law and highlighting avenues for legal reform, and further its own litigation. CDP's legal reference materials will be shared with the public, interested activists, and attorneys across the country. CDP staff, prior to obtaining their law licenses and acting in comportment with regulations prohibiting non-attorneys from offering legal advice, provided research on climate-related legal topics to interested activists and attorneys in Massachusetts and Washington State in 2015 and 2016.

#### Litigation (30% of organizational time)

CDP's staff attorneys will litigate climate-related cases of two kinds. First, CDP will partner with existing climate campaigns to bring lawsuits encouraging the government and other institutions to satisfy their obligations to protect the climate. Similar to many existing organizations that enforce environmental statutes and individual rights to a clean environment, CDP will protect the public's right to a healthy climate through strategic litigation. Second. CDP will offer criminal defense to climate activists who face charges related to

protest activity. CDP will offer much-needed, low-cost or free legal representation to the large number of climate activists in need of legal defense. This service will be provided both to defendants who would not otherwise be able to afford legal representation, as ascertained by a financial means test, and to defendants who are unable to secure climate-related legal representation in general.

#### Funding of Activities

CDP will fund its activities through grants and private donations. CDP will have minimal overhead and the bulk of its income will go toward salaries for its staff attorneys. Activity-specific expenses will be minimal and all activities will be financed from the same general fund.

#### Charitable Purpose

It is generally recognized that efforts to preserve and protect the natural environment for the benefit of the public constitute a charitable purpose within the meaning of section 1.501(c)(3)-1(d)(2) of the regulations. The promotion of conservation and protection of natural resources has been recognized by Congress as serving a broad public benefit. See, e.g., the National Environmental Policy Act of 1969, 42 U.S.C. section 4321 (1976). See also Rev. Rul. 76-204, 1976-1 C.B. 152, and the authorities cited therein. Thus, the Climate Defense Project's overall purpose is charitable. See Rev. Rul. 80-278. In addition, the Climate Defense Project conducts education activities that qualify as charitable under section 501(c)(3).
