Daniel Taner Yildirim,

Defendant.

**STATE'S DISMISSAL OF  
CHARGES PURSUANT TO RULE 30.01**

District Court File No. 31-CR-19-393

---

The State of Minnesota hereby dismisses Count One in the above-named case for the following reasons:

1. Upon further review of the evidence in this case, it has been determined that there is insufficient evidence to prove beyond a reasonable doubt that Defendant acted with intent to cause damage to some portion of the actual pipeline infrastructure (ie. a valve or other piece of equipment constituting an actual component of the physical pipeline) as opposed to causing damage to other items of Enbridge property not directly constituting a component of the physical pipeline.
